

VideoStudio® ULTIMATE 2019

Corel® VideoStudio® Ultimate 2019 takes its award-winning combination of ease of use and breakthrough creativity further with fun new features and sophisticated effects! Celebrate the hands-on editing power and explore hundreds of customizable filters, new Color Grading, Video Masks, and premium effects that will bring your projects to life in ways you never imagined.

Why VideoStudio Ultimate?

1 Create Stunning videos

Transform your photos and videos into movies. Edit HD, 4K, or 360 videos with precision on the multi-track timeline. From templates to timeline editing, develop your skills and create impressive videos. Learn as you edit!

2 Unlimited creativity and pro-quality effects

Add incredible creative effects and correct almost any video problem with 2,000+ customizable filters. Create video masks, custom split screen templates, or set the color tone with new Color Grading Controls.

3 Premium effects - Exclusive to Ultimate

Take your project to the next level with premium effects from NewBlueFX, Boris FX, and ProDAD. Eliminate subtle imperfections, apply lens corrections, turn day into night, enhance color, and so much more.

4 Support for virtually all popular formats

Dive in and start editing, and enjoy support for a wide variety of cameras and formats. VideoStudio is optimized for the latest video acceleration hardware.

5 Award winning

Choose a video editor that's known for being feature-rich and easy to use. You'll be amazed by what you can create in VideoStudio.

User Segments

Perfect for all skill levels:

- Beginner Video Editors
- Video Editing Hobbyists
- Social Videographers
- Business Marketers
- Educators & Students

VideoStudio Ultimate 2019

VideoStudio is widely recognized for being easy to use and packed with fun features. Enjoy all the power of VideoStudio Pro, plus extra creative features, additional effects from industry leaders, and so much more!

Video editing software

Transform your photos and videos into movies with award-winning video editing software. Make quick edits, or have fun experimenting with powerful tools like Motion Tracking or Stop Motion Animation.

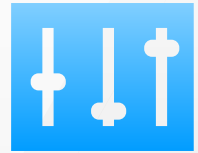

Capture video and audio

Record your screen and webcam simultaneously with new MultiCam Capture™ Lite and create engaging videos. Pull it all together with multi-camera editing and select the angle you'd like to show as the video plays!

Built-in sharing

Author DVDs with chapters and menus using enhanced MyDVD®. Upload directly online or export to popular video formats. Learn new skills from video tutorials, connect with other users, and learn from the community forum!

Premium effects

Add incredible creative effects and correct almost any video problem with the Ultimate Effects Collection. Enjoy hundreds of dollars' worth of pro-quality special effects applications for only a few dollars more than the price of VideoStudio Pro.

The award-winning video editing family
