Introducing CorelCAD 2020

Affordable CAD software on Windows and macOS with expert results. Experience a simplified computer-aided design workflow using professional, time-saving 2D and 3D tools.

4

Enhanced 2D Drafting
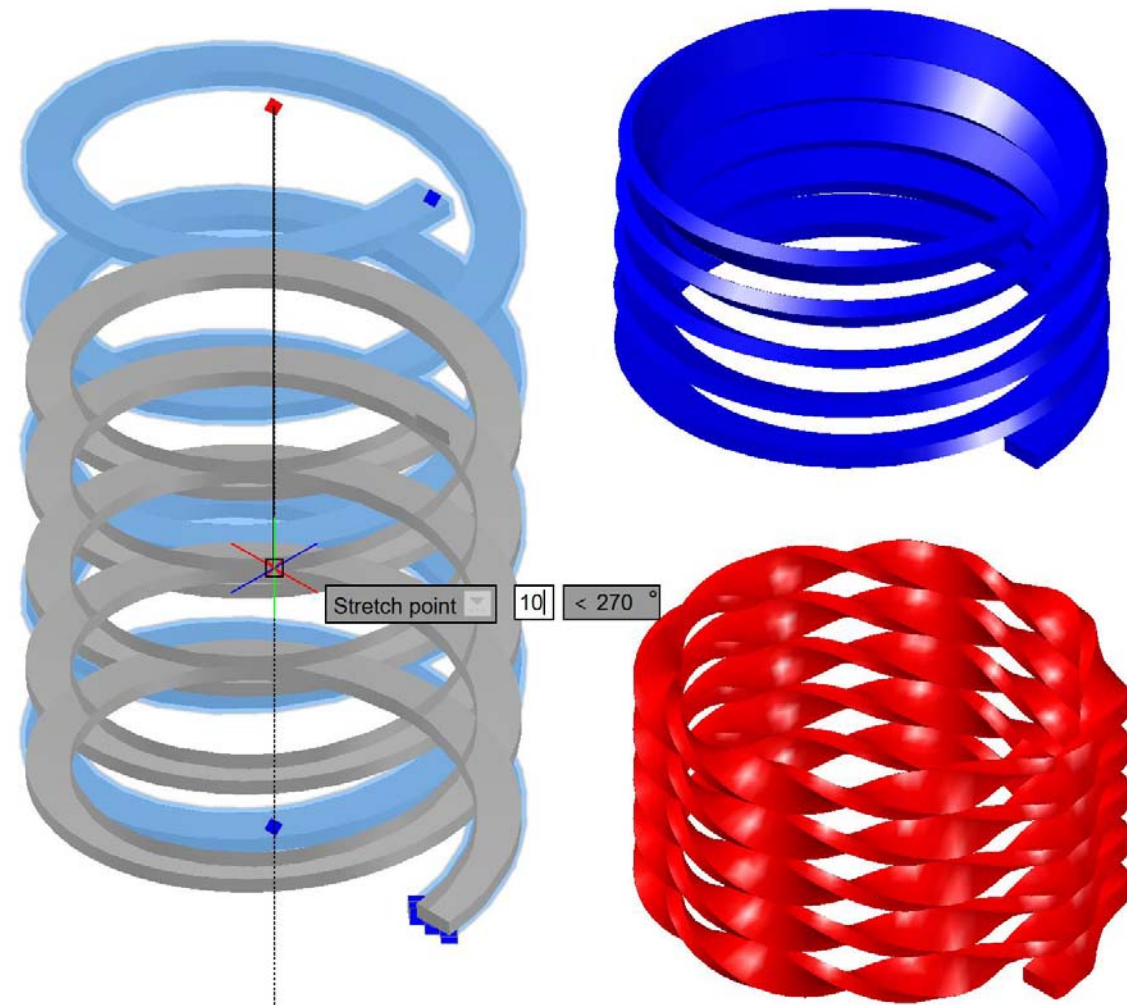

- Full range of precision 2D drafting tools

  + *NEW!* Lasso Selection tool

  + *ENHANCED!* Hatch tools

  + *ENHANCED!* Dimension tools

- Parametric Drawing

  + *NEW!* SetConstraintNameFormat

- In-place Text editing

- Tables

- Productivity tools

  + *ENHANCED!* Rotate, Copy, Offset tools

Advanced 3D Design

- 3D solid modeling from 2D
  - + *ENHANCED!* Sweep command with new Bank option

- Creating solid primitives from scratch

- 3D solid editing capabilities
  - + *NEW!* Offset Edges
  - + *NEW!* Convert Edges

- Output to 3D printers
 - + *NEW!* Smoothness setting for 3D rendering

Stretch point | 10 | < 270 °

Productivity & Performance

+ *ENHANCED!* Custom blocks
  + *NEW!* Test mode
  + *NEW!* Alignment element

+ *NEW!* Data Extraction Wizard*

+ *ENHANCED!* PDF output

+ *NEW!* Predefined Layer group filters
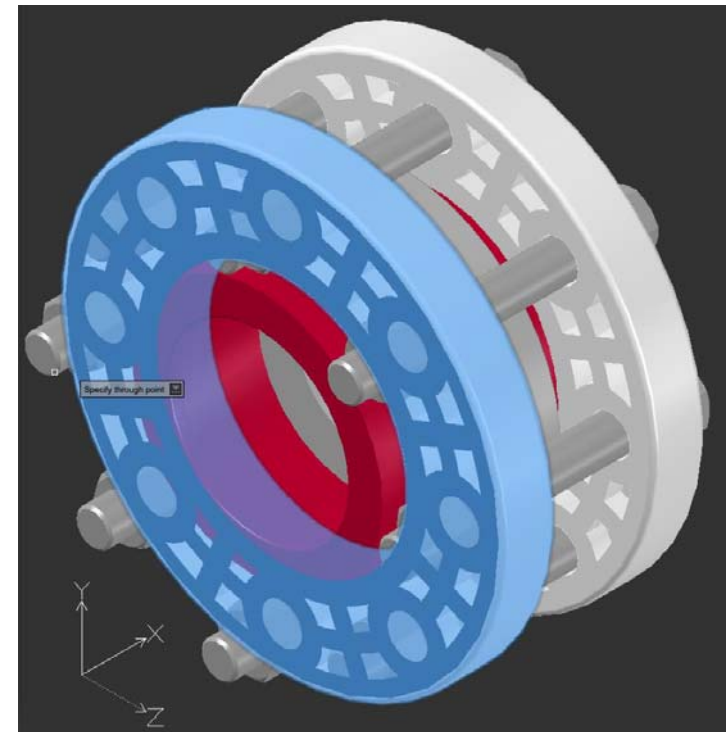

+ Latest Windows 10 and macOS Catalina support

* Windows only

What's New in CorelCAD 2020
