

PANTONE® FHI Cotton Planner

FHIC300A

Overview:

315 New Colors just added! View 2,625 market-driven Fashion, Home + Interiors System (FHI) Colors in one compact desktop reference. The Pantone Cotton Planner is a handy workplace tool for designers and in-house colorists to visualize and specify Pantone Colors for textile, fashion, and interior design applications.

- Pantone's most popular desktop reference for FHI Colors
- Features larger swatches than our Cotton Passport
- Removable pages allow designer to see entire color families at once
- Perfect for teams and departmental use
- Use for color inspiration and specification

Format:

- Single-volume three-ring binder desktop reference
- Includes 35 individual 5/8" x 5/8" cotton chips per page affixed to non-optically brightened paper
- Compact footprint ideal for use in a small office setting
- White space surrounding each color allows for accurate visual evaluation

Color:

- Features 2,625 FHI Colors, including the latest 315 market-driven, trend-relevant colors
- All Pantone Colors on cotton formulated for achievability and fastness
- Improved chromatic layout organizes all 2,625 FHI colors by color family
- Colors arranged in chromatic format, with an index providing numeric location for each color
- Each color refers to a corresponding Pantone Swatch Card, the standard for color accuracy

Application:

- Use for textiles, apparel, soft home, and interiors products
- Use for color inspiration, specification, and spot-checking color at the lab or office
- A handy workplace reference tool for team and departmental use
